Hampshire County Fair

In approximately a week the 2011 Hampshire County Fair will be ready for visitors, just like you, to enjoy. This year marks the 55 year the fair has

been in operation. FFA members will be exhibiting fair animals all week with the sale ending the week on Saturday. The FFA has several events

that are planned for this year's fair. Come down and check them out! August 14-20

- **Alumni meeting second Tuesday of each month.**

Silent Auction

The Hampshire County FFA will be holding a silent auction this year at the fair to help raise money for FFA members to attend the National Convention in Indianapolis, Indiana. The convention lets members learn more about leadership while being awarded for their achievements throughout the year. If you are interested in donating items call: (304) -856-3885.

Dunk Tank

There will be a dunk tank set up at the fair also to help raise money for the chapter. Be sure to check it out at this year's fair. Dunk some of your fellow FFA members or an advisor or two.
