Chapter Meeting	1/7

# Redneck Dinner

On December 20 the Hampshire County FFA will be holding their annual Redneck Dinner. The dinner is a time for FFA members to get together and play games, talk, and just have a good time before the break. Members bring in food from turkey to snake and alligator.

Members also have the chance to participate in Thieves Christmas where members

place items beneath a tree and can steal them from others as they are unwrapped.

## Alumni News

- **Alumni meeting December 7, 2010.**

# Food Drive

The Hampshire County FFA have been holding their food drive for 2 weeks now and members have brought in many food and jackets to be given to many families this holiday season. The items will be given to the pantries before the break to ensure each family receives the items.

# Big Buck Contest

The Hampshire County FFA will be holding a big buck contest for members. The buck must be in-state, tagged, and the antlers must be brought in to be in contention for the trophy. The winner will be announced at the next banquet.

# Redneck Dinner

If you want to come to the Redneck Dinner you need to bring a covered dish or meat to be cooked. This event is for current FFA members. You can bring in games to play while inside such as board games etc.

If you wish to participate in Thieves Christmas you need to bring a gift of a minimum of \$15. After you bring in your gift your name will be written on a board and you will be able to participate. When it begins you will be asked to draw a number. If you drew number one you will go to the tree and pick a gift. Then the next number will go, they have the chance to either steal the gift before them or pick a new gift. Then so on and so forth. However you may only have a gift once. Be sure to bring in a gift everyone would like to have. Try to avoid things like lotion, body spray, etc. No weapons such as knives may be gifts.
